

Assessify: Comprehensive Platform User Manual

Teacher Placement Assessment & Administrative Evaluation Operating Guide

Yayasan Karya Bangsa (TK, SD, SMP, SMA, SMK) · Edition 2026.3 | Standard: CEFR Aligned

1. Introduction & Purpose of Assessify

This User Manual provides step-by-step operating instructions for candidates taking the English Placement Assessment and school administrators managing candidate evaluations, scoring rubrics, and reporting across all 5 school units: TK, SD, SMP, SMA, and SMK Karya Bangsa.

System Assessment Architecture:

1. Examinee Placement Flow	2. Administrator Governance Flow
- Domain Authentication (@karyabangsa.sch.id) - Automated Hardware Diagnostics Check 5 Assessment Modules (Listening, Grammar, Reading, Writing, Speaking) 75-Minute Server-Enforced Time Limit - Immediate Provisional Score Summary	- Secure Role-Based Administration Access - Real-Time Results Console with 5-Unit Filters - Candidate Inspection & Video Recording Stream 4-Criteria Interactive Rubric Evaluation - Official PDF & Excel (.xlsx) Report Exports

2. Hardware, Software & Environmental Requirements

Candidate Device & Browser Standards	Administrative Workstation Standards
- Google Chrome (v110+) or Microsoft Edge (v110+) - Functional Headphones / Speakers for Listening - Functional Microphone & Webcam for Speaking - Minimum Screen Resolution: 1280 × 720 px - Stable Internet (Min 5 Mbps upload/download)	- Chrome / Edge / Firefox desktop browser - Enabled JavaScript & Cookie Storage - Minimum 1080p display recommended for split evaluation - Local audio device for candidate speech playback - Spreadsheet reader for .xlsx export verification

3. Step-by-Step Teacher Assessment Flow

1 Candidate Authentication & School Unit Selection

Access the platform and sign in with your official institutional identity.

- Navigate to <http://localhost:3001> in Google Chrome or Microsoft Edge.
- Ensure the Workspace dropdown is set to "Teacher Placement Assessment".
- Enter your Full Name with academic titles (e.g., Anita Wijaya, S.Pd.).
- Enter your institutional school email ending with @karyabangsa.sch.id.
- Select your teaching assignment: TK, SD, SMP, SMA, or SMK KARYA BANGSA.
- Click "Continue Securely" or "Begin Assessment Workspace".

INTERFACE REFERENCE: Teacher Sign-In & School Unit Selection Screen (TK, SD, SMP, SMA, SMK)

2 Pre-Flight Hardware Diagnostics Suite

Verify your audio, microphone, and camera before starting the timed assessment.

- Audio Output: Click "Play Test Sound" to confirm clear chime playback.
- Microphone Meter: Speak into your microphone to verify live vocal input meter.
- Camera Permissions: Click "Allow" on browser prompt to enable video feed.
- Read the 75-minute assessment rules, then click "Begin 75-Minute Assessment".

INTERFACE REFERENCE: Pre-Flight Hardware Diagnostics & Assessment Rules Screen

4. Navigating Receptive Skills Assessment

3 Section 1: Listening Comprehension (15 Items · 15 Minutes)

Listen to spoken academic dialogues and announcements, then answer multiple-choice questions.

- Click "Play Question Audio" to trigger text-to-speech spoken prompts.
- Select the radio button corresponding to the best answer option (A, B, C, or D).
- Answers are saved automatically as you make your selections.
- Scroll to the bottom of the section and click "Next Section" to proceed.

INTERFACE REFERENCE: Listening Comprehension Interface with TTS Audio Playback

The screenshot shows the 'Assessify' interface for a listening comprehension test. At the top, there's a header with the Assessify logo and 'Karya Bangsa Sekolah'. On the right, there are links for 'Teacher workspace' and 'Sign out'. The main content area displays two questions. The first question is 'QUESTION 1 OF 15: What time does the session begin?' with four radio button options: 'The hall', '9:00', '9:30', '10:00', and '10:30'. The second question is 'QUESTION 2 OF 15: What should participants bring?' with two radio button options: 'Observation notes and one question' and 'A laptop and a feedback'. Each question has a corresponding text input field for an answer.

4 Section 3: Reading Comprehension (15 Items · 20 Minutes)

Analyze passage context and answer passage-based multiple choice items.

- Review the pinned reading passage with paragraph reference numbers.
- Answer questions testing main themes, specific details, and lexical meaning.
- Use the top timer to pace yourself across the 15 reading items.

INTERFACE REFERENCE: Reading Comprehension Module with Passage Context

The screenshot shows the 'Assessify' interface for a reading comprehension test. At the top, there's a header with the Assessify logo and 'Karya Bangsa Sekolah'. On the right, there are links for 'Teacher workspace' and 'Sign out'. The main content area displays a 'Reading Passage' titled 'Pedagogical Evolution Differentiated Instruction, Formative Assessment, and Cognitive Engagement in Modern Education'. The passage is divided into several paragraphs, each starting with a reference number in brackets: [A], [B], [C], [D], [E], and [F]. The text discusses contemporary educational institutions, continuous professional development, collaborative peer observation, cognitive load management, and differentiated instruction. At the bottom, there's a question: '[F] Differentiated instruction represents another vital component of modern classroom pedagogy. In heterogeneous classrooms comprising multi-ability'.

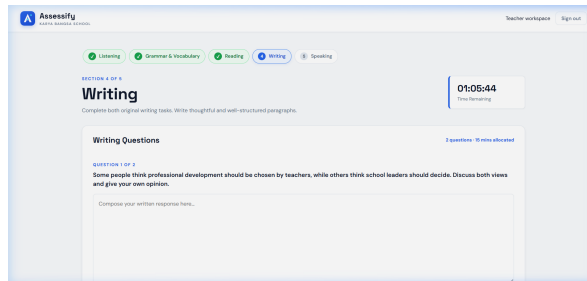

5. Productive Skills Assessment & Official Submission

5 Section 4: Writing Essay (1 Item · 15 Minutes)

Compose an essay addressing the educational prompt using clear pedagogical arguments.

- Read prompt requirements and target word threshold (150–250 words).
- Type your essay into the editor; observe the dynamic word count counter.
- Drafts are auto-saved in local cache and synchronized with the server periodically.

INTERFACE REFERENCE: Writing Assessment Editor with Dynamic Word Count

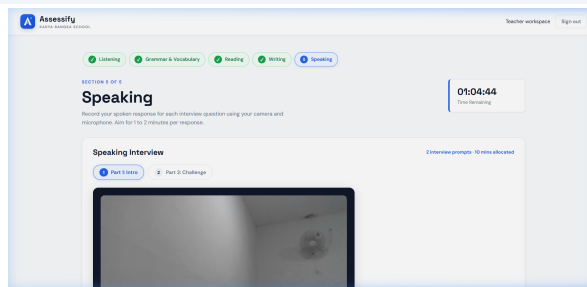

6 Section 5: Speaking Interview (2 Prompts · 10 Minutes)

Record your spoken response using the integrated video/audio recorder.

- Position yourself in front of the camera and click "Start Recording".
- Speak clearly for 1–2 minutes; monitor the live Web Audio voice wave visualizer.
- Click "Stop Recording" and play back your video to verify audio clarity.

INTERFACE REFERENCE: Speaking Assessment Interface with Video Stream & Audio Visualizer

7 Submitting the Assessment & Viewing Provisional Results

Finalize your test attempt and receive immediate provisional feedback.

- Click "Submit Completed Assessment" and confirm in the submission dialog.
- Review your provisional score breakdown, unique Attempt ID (e.g. ATT-1046), and completion notice.

6. Administrative Workspace Access & Navigation

1 Administrator Sign-In

Access the administrative governance console.

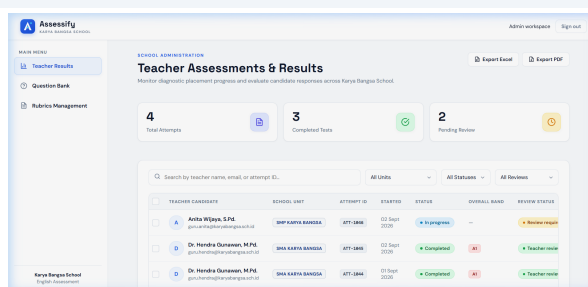

- On login screen, set Workspace to "School Administration Portal".
- Enter administrator username (e.g. azzikra) and administrative password.
- Click "Access Admin Workspace".

2 Results Dashboard & Multi-Unit Filtering

Monitor candidate completion metrics and filter records by school unit.

- View summary cards: Total Candidates, Completed Tests, Pending Reviews.
- Click School Unit filter pills: All Units, TK, SD, SMP, SMA, SMK Karya Bangsa.
- Use the live search bar to locate candidates by name, email, or Attempt ID.
- Use checkboxes for candidate selection and bulk delete operations.

INTERFACE REFERENCE: Administrator Results Console with Real-Time Search & Unit Filters

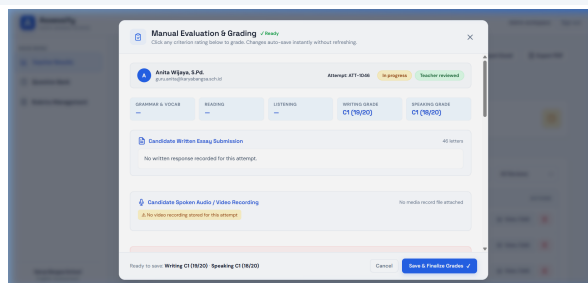

3 Candidate Detailed Inspection & Media Playback

Audit individual candidate submissions and review recorded speaking responses.

- In the candidate table, click "View Details" (Eye icon).
- Inspect objective item breakdown and read the submitted Writing essay.
- Play back candidate Speaking video/audio with full HTTP 206 streaming scrubber controls.

INTERFACE REFERENCE: Candidate Details Modal with Objective Breakdown & Video Stream

7. Interactive 4-Criteria Rubric Grading Matrix

Administrators evaluate qualitative performance in Writing and Speaking using a standardized 4-criteria matrix (1–5 point scale). The system computes criteria totals and assigns official CEFR bands in real time.

4 Conducting Rubric Evaluation for Writing & Speaking

Grade candidate responses across the 8 qualitative competencies.

- Click "Evaluate / Grade" (Pencil icon) on any candidate with "Review required" status.
- Writing Criteria (1–5 pts): Task Achievement, Coherence, Lexical Resource, Grammar Accuracy.
- Speaking Criteria (1–5 pts): Fluency, Lexical Resource, Grammar Flexibility, Communication/Pronunciation.
- Observe the live calculated total points and CEFR band badge (A1–C1).
- Click "Save & Finalize Grades" to lock in the candidate's official placement.

INTERFACE REFERENCE: Interactive 4-Criteria Rubric Grading Modal (Writing & Speaking)

TEACHER CANDIDATE	SCHOOL UNIT	ATTEMPT ID	STARTED	STATUS	OVERALL BAND	REVIEW STATUS
Anita Wijaya, S.Pd g00000000000000000000	SMP KARYA BANGSA	ATT-1846	02 Sept 2020	In Progress	-	Teacher Review
Dr. Hendra Gunawan, M.Pd g00000000000000000000	SMA KARYA BANGSA	ATT-1845	02 Sept 2020	Completed	A1	Teacher Review
Dr. Hendra Gunawan, M.Pd g00000000000000000000	SMA KARYA BANGSA	ATT-1845	02 Sept 2020	Completed	A1	Teacher Review
Dr. Hendra Gunawan, M.Pd g00000000000000000000	SMA KARYA BANGSA	ATT-1845	02 Sept 2020	Completed	A1	Review Request

8. Data Exports & Institutional Reporting

Single Candidate PDF Certificate

- Click "Export PDF" in any candidate row.
- Generates centered placement certificate with school branding, certificate serial number (e.g. KBS-EN-2026-1046), CEFR color-coded badge, and placement analysis.

Bulk Excel & PDF Compilation

- Click "Export Excel" in dashboard toolbar for styled .xlsx spreadsheet with formulas & auto-filters across TK, SD, SMP, SMA, SMK.
- Click "Export PDF" in dashboard toolbar to export a multi-page compilation of all filtered candidate certificates.

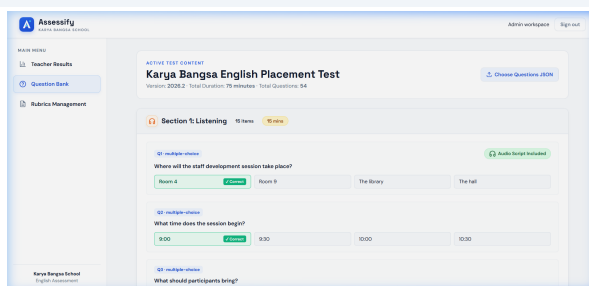

9. Question Bank & Rubric Schema Management

5 Managing Assessment Content & Question Banks

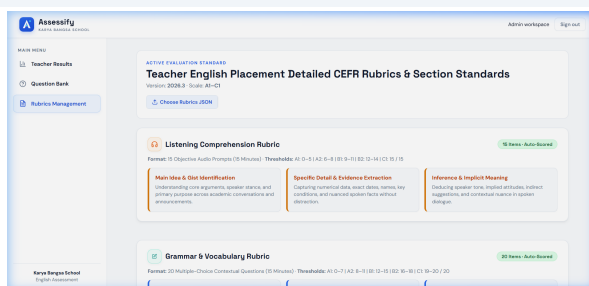

Update question banks and rubrics without code deployment.

- Navigate to "Question Bank" tab to inspect active questions, timing, and keys.
- Click "Download Active Question Bank (.json)" for offline backups.
- Upload new test packages via "Choose Question Bank JSON" (schema validated).

INTERFACE REFERENCE: Question Bank Management Interface & JSON Schema Editor

10. CEFR Scoring Matrix & Placement Rules

Skill / Section	Items / Scale	Scoring Mode	B2 Threshold	C1 Threshold
Listening Comprehension	15 Items	Automated Answer Key	12–14 / 15 correct	15 / 15 correct
Grammar & Vocabulary	20 Items	Automated Answer Key	16–18 / 20 correct	19–20 / 20 correct
Reading Comprehension	15 Items	Automated Answer Key	12–14 / 15 correct	15 / 15 correct
Writing Assessment	4 Criteria (1–5)	Manual Admin Rubric	14–17 / 20 points	18–20 / 20 points
Speaking Assessment	4 Criteria (1–5)	Manual Admin Rubric	14–17 / 20 points	18–20 / 20 points

11. Frequently Asked Questions & Troubleshooting (FAQ)

Q: Camera or microphone permissions blocked?

A: Click the lock icon in the browser address bar, toggle Camera and Microphone to "Allow", and refresh the diagnostic page.

Q: Network interrupted during examination?

A: Assessify caches answers in browser localStorage. Simply reconnect and refresh; your session will restore automatically.

Q: How to modify a finalized rubric grade?

A: Administrators can open "Evaluate / Grade" at any time to adjust criteria. The overall CEFR band will recompute immediately.

Q: How to back up candidate records?

A: Export the complete database to Excel (.xlsx) from the Results tab and download active Question Banks/Rubrics JSON files.
